Touchstones & Convictions

Clan Bane

	Margot Musaku - nigerian descendant kine from France, university colleague, first girlfriend, high school chemistry teacher. 30 year old. Alec cheated on her Ayo Musaku - nigerian descendant kine from France, Margot's sister, large BBW woman, early 20s. Alec was mentoring her in perfume design. They were sleeping together, cheated on Margot with her.	The Ventru are in possession of rarefied palates. When a Ventru drinks blood from any mortal outside their preference, a profound exertion of will is required or the blood taken surges back up as scarlet vomit. Alec likes to drink from females who she thinks is beautiful and likes to smell

Notes

Her sire, Vivienne Rousseau is from the Camarilla, and her and Alec do not see eye to eye anymore. She was part of the reasons(Céleste Reine was another one) why Alec left France and the Camarilla and moved to Saint Veyre

Alec should be able to identify if people are wearing some brand perfumes, especially his fragrances designed for his brand or La Reine's.
